

my green dollcradle

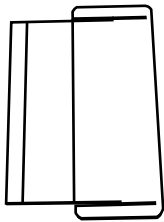

Instructions

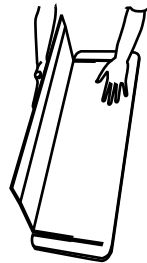

My Green Dollcradle Parts Include:

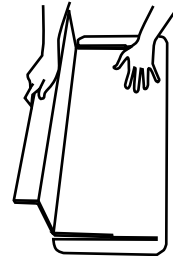

To Assemble:

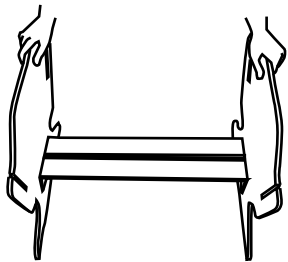

1. Place Part B on a horizontal surface so that the shorter, folded part, is facing up.

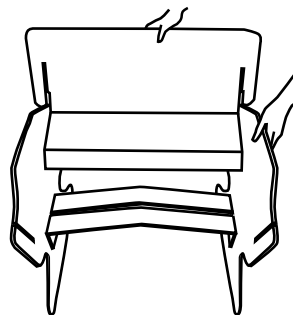

2. Lift and fold to a 90° angle, the Bed Surface and Reinforcement section.

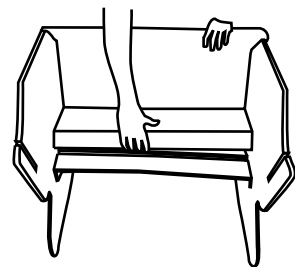

3. Fold the Reinforcement section to a 90° angle.

4. Open up Part A so that the connecting segment becomes horizontal.

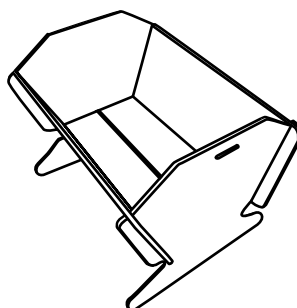

5. Align the slits on Part B with the slits on the Rocking Sides.

6. Lower Part B into Part A, be sure to lower evenly on both sides. Hold the Reinforcement Section so it does not drop below the Middle Section.

7. Insert the Reinforcement section into the groove in the connecting segment.

8. Repeat with the second Part B.
